We are pleased to announce the launch of our newly revamped website that aims to create a user-friendly browsing experience for all in the Diocese.

Many months in the making, the website has a complete redesign. It offers users easy access to enhanced and essential Diocesan information. We have also used the occasion to refresh the Diocesan e-News.

You can view the new website on your computer, your tablet or your mobile phone.

The launch of the new website is part of the Diocese's ongoing efforts to enhance the quality and availability of information to people around the Diocese.

Check out the parish pages, have a look at news and events. The Members area with resources can be accessed and all Diocesan services and agencies are featured.
