## Prayer

Lord God, faithful shepherd of the flock,  
in Jesus you long to gather into one fold  
the scattered sheep,  
the desolate crowd,  
the souls bewildered and confused.  
Work in us and through us to fashion  
a new humanity,  
proclaiming peace to those near  
and those far off,  
gathering many into one  
through Christ's glorious cross.  
Praying as always through  
Jesus the Christ.

**AMEN.**

## Anniversary Formation

In preparation for the Diocesan Assembly in November 2024, there will be formation sessions held around the diocese with a focus on leadership and governance. In 2023, Bishop Paul asked parishes to focus on leadership in their local communities, either by forming or developing further a parish council or leadership team according to local circumstances. The Diocesan Assembly will bring together clergy, representatives of the leadership teams in parishes, schools and Catholic organisations to consider how we might develop leadership and governance in our communities in the future. The formation opportunity is for: Clergy in parishes Parish Leadership Team/Parish Councils/Parish Teams School Leadership Teams/School Advisory Councils Catholic Organisations Leaders.

An invitation is also extended to people who have leadership potential and who would like to participate. Leadership teams are invited to nominate others who might benefit from this experience. Fr Justin Driscoll will facilitate the formation sessions. Details of sessions are:

## Bishops welcome release of key Synod document

Australia’s Catholic bishops have welcomed the release of the working tool for members of the Second Session of the XVI Ordinary General Assembly of the Synod of Bishops. The document, known in Latin as the *Instrumentum laboris*, originated from over 100 reports provided to the General Secretariat of the Synod including one submitted by the Australian Catholic Bishops Conference. The General Secretariat also considered reports submitted by parish priests who attended a three-day working session, which involved Australian clergy. And more than 200 comments were received from universities, associations of the faithful and other international entities. The *Instrumentum laboris* is not a magisterial document or a catechism, but a way to encourage prayer, dialogue, discernment and the “maturing of a consensus”, according to an explanatory paper. It was written by a group of theologians as well as members and consultants of the XV Ordinary Council of the General Secretariat of the Synod.
